Prayer Promoter

Often, we wonder how the United States of America could change so much. Then our King gets up and gives a speech to Congress and Senate. Hope is renewed, there are so many good people in America who share the same values as us.

Let us unite in prayer that the people of America, also we in Britain, and all countries will work to achieve peace, and work to protect the planet before it is too late. Let us keep hope alive. Even when we see things are really broken. Never give up on hope.

"The elevator to success is out of order. You have to use the stairs one step at a time".
